Your Day Unfolds

Start your day with a little indulgence and some serious pampering. The beautiful Wedding Suite is a large ground floor apartment just inside the front door of the main house. Extremely spacious with full height windows facing East and South, it caters superbly for all your hair and beauty requirements.

Relax with your closest loved ones, sip on Champagne and feel the full excitement and anticipation as your special day emerges.

Your Ceremony

Chippenham Park offers a choice of equally fabulous ceremony locations.

Do you see yourselves in the bucolic setting of **The Lake Summerhouse**, crowned by climbing roses, water-lillies stretching across the lake and the impressive green backdrop of woodland beyond?

Or are you charmed by **The Octagon**, a refuge of stillness inside the gentle formality of the softly sculpted, circular yew hedge? - another intensely romantic option.

Inside the house we have the grand but calming architecture of the **Old Ballroom** with its parquet, sprung floors and the Grand Steinway Piano.

The Octagon

The **Old Ballroom** can accommodate a maximum of 120 for the ceremony.

These are all licenced civil wedding locations where the registrar will carry out the ceremony.

If you prefer a religious ceremony the pretty village **Church of St. Margarets** is only a short walk away or are you thinking **Ely Cathedral** just 12 miles away?

Whatever your preference we will help you plan the perfect place to say 'I do'.

Your Drinks Reception

After the ceremony the drinks reception will be held on The Rose Terrace directly in front of the house. This lovely, open, rose-strewn expanse looks out across manicured lawns, fountain and topiary with 300 acres of the glorious park beyond. It epitomises everything English Country Garden and is a radiant spot to enjoy a glass of fizz and a few canapes.

Your drinks station is set up adjacent to the terrace in the large and bright loggia and your guests can also make use of the impressive main house and its facilities.

The Marquee

After the drinks reception concludes head over to the Lakeside Marquee for the Wedding Breakfast. The Marquee is exquisitely located with rolling lawns all around. Glass windows and doors on two sides offer wide vistas up the park as well as views out across the lake. This permanent marquee has superb washrooms facilities and large catering kitchens.

Our marquee can comfortably seat up to 200 guests for dinner. We advise a minimum of 60 day guests.

You will feast on a 3 course dinner of your choice. Our superb, exclusive catering team and bar staff will ensure that you have a night to remember.

Your Wedding Breakfast

We have partnered exclusively with our catering and bar teams Crown Catering and Banquet Inn for over 12 years.

They are exceptional on quality and offer great value.

In preparation for your day you will be invited to a complimentary tasting. Here you will sample a selection of canapes, starters, main courses and desserts from the inspirational dishes on offer before agreeing your menu.

Our brilliant bar team is ready to personalise your wedding day with a range of drinks packages. Signature cocktails, wines from around the world, bottle or draught beers and other selections that perfectly reflect your wishes.
